About essCert

essCert - the world's leading electronic Certificate of Origin (eCO) - enables Chambers of Commerce and their Exporter & Forwarder clients to access a simple, secure web-based app to electronically apply for, stamp, sign, certify and return Certificates of Origin online.

360+ Chambers of Commerce
19 Export/issuing countries

48,000+ Exporter/Freight Forwarder companies
95% Reduction in back-office CO admin time for Chambers

How essCert works

essCert provides a toolset to enable application/issuance of eCOs by Chambers of Commerce, Exporters and Freight Forwarders:

- Online Application for eCO by Exporter or Forwarder
- Online Review & Approval by Chamber of Commerce
- Online Transfer (or printing) by Exporter or Chamber
- eVerification by Customs or 3rd Party on import
